Simple, fair, and transparent returns.

Last Updated: 14 July 2026

Our Promise

At **Namakh**, we're committed to delivering products that meet the highest standards of quality, safety, and freshness.

If something isn't right with your order, we'll do our best to make it right.

Because our products are food and electrolyte supplements, certain limitations apply to protect the health and safety of all our customers.

Eligible for a Replacement or Refund

You may be eligible for a replacement or refund if:

- You receive the wrong product.
- Your order arrives damaged during transit.
- The product seal is broken or tampered with upon delivery.
- The product arrives in an unusable condition.
- The order is incomplete or items are missing.
- The product has a manufacturing defect.

To be eligible, please contact us within **7 days** of receiving your order.

What We May Require

To help us investigate your request quickly, we may ask for:

- Your order number.
- Photos of the product.
- Photos of the shipping package.
- The batch or lot number (if applicable).
- A brief description of the issue.
- An unboxing video (recommended for damaged deliveries).

Providing complete information helps us process your request faster.

Opened Products

Since Namakh products are consumable food supplements, we cannot accept returns of products that have been opened or used unless:

- the product is defective;
- the seal was already damaged upon delivery;
- the wrong product was delivered.

This policy helps us maintain product safety and hygiene for all customers.

Unopened Products

If you change your mind and the product remains:

- unopened,
- unused,
- sealed in its original packaging,

you may request a return within **7 days** of delivery.

Once approved and received in acceptable condition, we'll process your refund.

Unless the return is due to our error, return shipping costs are the responsibility of the customer.

Order Cancellations

Orders may be cancelled **before they are dispatched**.

Once an order has been shipped, it cannot be cancelled. However, you may still be eligible for a return if your order qualifies under this policy.

Refund Process

Once we receive your request:

1. We review the information provided.
2. If required, we may request additional details.
3. Once approved, we'll initiate your refund or replacement.
4. Refunds are processed to the original payment method.

Refunds are typically initiated within **5-7 business days** after approval.

Depending on your payment provider or bank, it may take additional time for the amount to reflect in your account.

Replacement Process

Where appropriate, Namakh may choose to send a replacement product instead of issuing a refund.

Replacement shipments are generally dispatched within **2-5 business days** after approval, subject to product availability.

Non-Returnable Situations

We cannot accept returns or issue refunds for:

- Opened products without a quality-related issue.
 - Products damaged due to improper storage after delivery.
 - Normal wear to external packaging during shipping that does not affect the product itself.
 - Requests submitted more than **7 days** after delivery.
 - Orders with incorrect delivery information provided by the customer.
 - Delays caused by circumstances beyond our reasonable control, including courier disruptions, weather conditions, or natural disasters.
